CMLIT 400-level

|

CMLIT 400W Senior Seminar

(offered only in fall semester)

Total Credits (at least 18)

At least 6 of your 18 credits must be from 400-level courses. Since CMLIT 400W is required for the minor, 3 of these 6 credits are already chosen for you. You are encouraged to choose courses that share a common idea or pattern, so that you'll have a meaningful package, not just 18 credits. For instance, you might emphasize a part of the world (such as Asia), or a set of literary forms (such as myth, legend, and folktale), or a literary period (such as medieval literature), or a theme (such as the individual and society, or men and women in literature).
